

2021 Scholarship Requirements

The Hancock Family Foundation is giving college scholarships to graduating seniors from the Kansas City, Missouri, and Kansas City, Kansas public school districts for the 2021-2022 school year. These should be promising students who would otherwise not be able to afford a college education, but have the desire and potential to better themselves. Applicants will be informed of the Committee's decision by email. It is our policy not to provide an explanation for scholarship requests that are declined by the Selection Committee.
